v.

David Esco Welch, Appellant

In the above-entitled matter, a case in which the sentence of death was imposed, the court filed its decision on June 1, 1999, more than 150 days after the certification of the record, because of the following extraordinary and compelling circumstances:

1. The size of the record on appeal, (totaling over 6200 pages).
2. The necessity to grant appellant, for good cause, numerous extensions of time within which to submit his briefs.
3. The necessity to grant respondent, for good cause, numerous extensions of time within which to submit their briefs.
4. The number and complexity of the issues raised on appeal and the extensiveness of the briefing of the parties. The parties' briefs totalled over 580 pages and over 40 issues were raised.
